Over 125 years of hospitality history

Welcome to Grünauerhof!

We have been serving guests since 1898 – a history of which we are very proud. Today, Grünauerhof is a restaurant and hotel where tradition counts and progress flourishes.

A regional focus and sustainability are a matter of conviction for us. We run our own farm, which is also the source of many of the products that we cook.

Sit back and enjoy our philosophy of hospitality!
